

### EAGLE FOOTHILLS AVA

The Eagle Foothills AVA (American Viticulture Area) was established on Nov. 25, 2015, creating one of the newest AVA's in the country and the only AVA located entirely within the State of Idaho. Considered a sub-AVA of the Snake River Valley AVA, the Eagle Foothills share many similarities with the Snake River Valley: the general climate and the location within the lakebed of ancient Lake Idaho. The differences become apparent when you visit the Eagle Foothills. Vines are planted high (2500' - 2900') on the south facing slopes of the foothills, the vineyards enjoy the benefits of full sun and heat during the day. As evening approaches the foothills cast shade on the vines and ripening fruit, slowing down the ripening process, allowing the grapes to develop complex flavors and mouthfeel.

### FAMILY OWNED

The quality of a wine is a reflection of the quality of the grapes, and 3 Horse Ranch Vineyards is producing some of the most exciting high altitude wines of the Northwest. The consistent quality of 3 Horse Ranch Vineyards wines are the result of a well tended vineyard, where we employ hand pruning, training, and harvesting of our vines.

We're excited to introduce you to our wines, and hope you enjoy them as much as we have enjoyed bringing them to life.

3 Horse Ranch Vineyards brings together a unique blend of soil, climate and care to produce fruit of exceptional quality. Our viticulture practices seek to maximize the true expression of the Eagle Foothill terroir.

### FARMED SUSTAINABLY, NATURALLY

3 Horse Ranch Vineyards is committed to sustainable farming practices, the preservation of Idaho land, and to bottling the truth.

In the early 1990's, pioneering wine growers Gary and Martha Cunningham began planting Rhone and Bordeaux vines of noble origin on the remote hillsides of the Sawtooth Range north of Boise Idaho. Today this vast, historic ranch is now home to Idaho's largest family-owned winery, 3 Horse Ranch Vineyards. We invite you to experience our remarkable vineyards and wines from Americans newest and most fascinating winegrowing frontier, The Eagle Foothills District of the Snake River Valley Appellation in Eagle, Idaho.

# Our Wines

## 2013 BEAU GESTE

**NEW!** A Bordeaux Style Red Blend  
Cabernet Sauvignon 54% ^ Malbec 10% ^ Merlot 26% ^ Cabernet Franc 3% ^ Petit Verdot 7%. Named after a term for beautiful gesture, this wine is mostly Cabernet Sauvignon with small amounts the other primary Bordeaux varieties blended in. Aromas of dark cherry, black tea, pencil lead and vanilla are followed by well-constructed smoke and dark fruit flavors with grainy, compact tannins that need some time to stretch their legs.

## 2013 CABERNET SAUVIGNON

3 Horse Ranch Cabernet features classic aromas and flavors of ripe black cherry and black currant with dark chocolate, toast and baking spices. The structure is bold on the entry with ample tannins that provide good length."  
- Eric Degerman

## 2013 SYRAH/MOURVÈDRE

Our Snake River Valley Syrah-Mourvedre offers lively notes of red currant, blackberry, black plum, cocoa powder, bay leaf, mulberry, green olive, brown stems, peppery spices, and dried flowers. This medium-bodied, seductive red is tied together within a structure of polished tannins and red currant acidity. The fruit flavors are sweet, rich and pure while showing a pleasing sense of restraint.

## 2014 MERLOT/CABERNET FRANC

Aromas of red cherry, crushed raspberry and fresh strawberry lead to flavors of bright red fruit along with chocolate tones, herb, clove, wood spice and exotic spice. The palate is quite elegant in style, and it delivers a lot for the price. This Merlot earned a Gold Medal at 2016 Idaho Wine Competition.

## 2014 RIESLING

This slightly sweet, off dry wine showcases an explosion of beautiful fruit from the nose to the finish. A richness felt in the mid-palate is balanced by bright spicy flavors and mouth watering acidity.

## 2014 SYRAH

A beautiful medium bodied Snake River Valley Syrah which is elegant, bright in fruit and delicate in spice. Simply delicious.

## 2014 ROUSSANNE

Lightly oaked and medium-to-full bodied, this wine exhibits a gorgeous bouquet, rich textures, and well-balanced acidity. "This white grape native to the Rhone Valley in France carries a fascinating core of tropical and orchard fruit flavors in the nose and the flavors, backed by sleek food-friendly acidity and a finish of pear and lychee. It earned a silver medal at the 2015 Idaho Wine Competition."

The flavors display elegance, restraint and nuance."  
- Sean Sullivan, Wine Enthusiast

## 2015 "VIVACIOUS"

Vivacious is a lightly-oaked, perfectly balanced blend of two great white Rhone-style grapes - a most beautiful marriage! Blending the voluptuous mouth feel and aromatics of Viognier and the honey-like texture and minerality of Roussanne produces a wine with a delightfully crisp finish that pairs well with all foods. "This wine's peach, melon and flowers aromas are bright. The palate is dry and fleshy."  
- Sean Sullivan, Wine Enthusiast

## 2015 DRY ROSÉ

Our traditionally dry Provençal Style Rosé is a blend of our Grenache and Syrah grapes grown in family vineyards to create this delicious wine. The beautiful nose of garden fresh strawberries and raspberries are a perfect match for so many occasions.

## Introducing Our Eagle Foothills AVA designated wines

## 2016 PINOT GRIS - EAGLE FOOTHILLS AVA

Produced in the decidedly French, Alsatian style, this Pinot Gris opens with a fruit forward aroma of fresh cut pear and tangerine. It's lush, almost fresh-cut-apple like acidity shows well in the roundness at mid-palate. A wine that displays a complexity that captures the crispness of the fruit yet broadens to a soft lovely finish.
